Dear 'Sonic Boom Blast,'
So I've been hearing about another Sonic and Mega Man crossover coming up and I'd like to know more about it. When is it coming up?

You heard right, good sir! The next big crossover, "Worlds Unite" will begin this spring in our other equally awesome Sonic comic book, Sonic Universe! Issue 76 to be exact!

I heard it's also going to span across the Sonic Boom series and the Mega Man X universe. Does that mean all the alternate universes are combining? I'd like to get as much information about this crossover as I can.

Thanks!
Joey E. sent to Sonic@ArchieComics.com

Thanks for the letter, Joey! The crossover will be spanning across the Sonic, Mega Man, Sonic Boom and Mega Man X universes. But wait, there's more! We've recently announced that characters from other Sega and Capcom franchises will be making guest appearances in the crossover as well! Will your favorite hero or villain show up? To find out, be sure to subscribe to all four titles. We are currently offering a special discounted bundle for the crossover which you could -- and totally should -- sign up for via the nifty coupon in this very book! But wait, there's even MORE crossover goodness! Drop by your local comic book shop on May 2nd for a FREE "Worlds Unite" flip book prelude comic! Visit ComicShopLocator.com to find a comic shop near you! Happy reading!
